Woodpeckers Weekly Newsletter

Friday 18th March 2022

HOME LEARNING

Google Classroom - The class code for our class is: ydsw2zh

Reading – Please continue to read at least four times per week at home.

Spellings –
Please learn the spellings from the lists attached. There is a support group list for those children for whom spelling is particularly tricky.

Maths-
Keep practising your number facts using the TT Rockstars and Numbots apps

ROUTINES

Please note these routines are subject to change.

PE –Monday (indoor) and Fridays (outdoor)

Forest School – Tuesdays

Dear Parents and Carers,

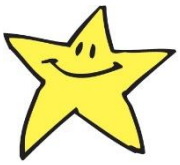
Back in the autumn term, whilst we were learning about non-fiction writing, the children in Woodpeckers class came up with a project to save the world: Tree Plant Tuesdays. This week the trees Mrs Wallis ordered finally arrived and so the children spent a wonderful morning planting these. We now have a brand new selection of cherry, silver birch and rowan trees planted around the grounds. It is fabulous to see the children come up with the idea then bring it to life, and they were really excited to see the impact of their hard work. Their task now is to look after these new trees and ensure they grow up healthy and strong; which reflects our school vision statement of "together we grow, together we flourish".
This week, we also had a wonderful Red Nose Day, coming together with our friends across the Trust to raise money for those who need it. The Woodpeckers children have organised their own talent show, which will take place on Monday and costs £1 to enter. I can't wait to witness all their wonderful talents.

Please do continue ensure that all cuddly toys, games, toys and trading cards are left safety at home. Thank you.
Kind regards, Mrs Foucher.

Attendance:

Thank you to everyone for continuing to do everything you can to make sure children are in school as much as possible. Please continue to bring your child to school if they are well enough - unless they have had a positive test result.

Please remember that every day missed is 6 hours of learning lost.



Star of the Week

Mia – for developing her wisdom in her learning this term through her fantastic progress and increased confidence in maths.

Important!

Please ensure your child has a water bottle and a waterproof coat (with a hood) with them each day.

Together we grow, Together we flourish

Year 4 spellings	Support spelling list
We're continuing to look at homophones and near-homophones (words which sound the same or similar but have a different spelling and meaning) Find out what each of these words mean and practise each spelling. here/hear heel/heal/he'll knot/not	mother most mouse much narrator
