Together we grow, together we flourish

Dear Parents/Carers,

We are really looking forward to welcoming the children back on Monday the 8th of March 2021. It will be wonderful to have our whole school family back together again.

As a team, we have been discussing ways to support the children in returning to school on the 8th of March 2021. Your feedback from the last parent questionnaire has helped us with this too. We understand that this period has been extensive for the children and we want to support you as much as we can as we enter this next phase.

Mr Trewinnard and Mrs Pascall, our Mental Health and Wellbeing lead in the Trust, have both been planning support for all families through the Youth Mental Health Foundation charity with the first assembly on Thursday 25th of February at 09:00. However, we wanted to offer some personal support to you all as well.

As you may remember, we postponed the parents evening consultations last half term because we felt that they would not be as purposeful as they normally would. We have made the decision to reschedule these for next week (week commencing the 1st of March).

Your teacher will be in contact through Google Classroom or Tapestry to book a 1:1 appointment with you and your children to discuss the excitement for their return, answer any questions and welcome them back to school ready for Monday the 8th of March.

On the day of the meeting, the teachers will send out the Google Meet link as per usual on Google classroom or Tapestry for you to join. If you are early and the teacher is still in another meeting, there will be an online waiting room and the teachers will admit you at the designated time. We can offer a telephone conversation if you prefer.

Please keep an eye out for these appointments so you don't miss out on a chance to sign up for a 1:1 teacher session!

Kind Regards

Mrs Huish
