HOME LEARNING

Reading

Please complete the book review on the sheet ready to display in our reading corner.

Maths

3x Table- please learn the 3x table. If you are feeling confident, see how quickly you can write it out.

Routines

- This term our PE sessions are on Monday and Friday. Please ensure PE kits are in for these days including trainers or plimsoles.
- Forest school lessons are on a Thursday. If you would like to bring wellies and a change of clothes for these sessions, please ensure they are named.

Thank you.

Dear Parents / Carers,

We have had a wonderful week in the Nightingales this week and we have enjoyed getting stuck into our new curriculum topics.

In maths this week, we have been focusing on developing our place value *understanding*. We have been working on representing numbers to 1000 in Year 3 and 10,000 in Year 4. We have also been solving problems involving place value to deepen our understanding.

In English, we have been learning about information texts with a focus on explanation texts. We have been investigating different texts to decide which key features they have and why they are important.

In forest school this week, we enjoyed a trip up to the orchard which has inspired us, ready to create our own wildflower beds in the future!

In PE this week, we started our new unit on tag rugby. In tag rugby we worked on improving our throwing and catching skills using foam rugby balls. We had a great time!

I hope you all have a wonderful weekend,

Mrs Davis

Attendance

Last week's attendance was 96%

Star of the Week

This week our award goes to **Charlie** for his hard work and determination to understand new learning in maths, and for always modelling our values of trust and peace.

Important!

Please can children keep toys and pencil cases at home as we would not like them to get lost.
Thank you.

Together we grow, Together we flourish

TOGETHER WE EMPOWER EXCELLENCE
