HOME LEARNING

We spent some time looking for our school on Google Earth this week. At home, can you sit with your child and find your home together? Explore the surrounding area – what can they see? Can your child identify any local landmarks? It might be fun to follow your route to school together.

Dear grown-ups,

We have been very busy this week in Robins Class. We have started our new curriculum focus 'The Story of Me: Everyone is the Same, Everyone is Different'. We have been using the book 'Here We Are' by Oliver Jeffers to support our learning. We started by looking at our planet from space using Google Earth. We noticed the blue oceans, red deserts and green forests and then zoomed in to find Dartington and our school. We then talked about all the wonderful things we could do on Earth and the children shared their favourite things to do, drawing some beautiful pictures to show their thoughts.

We have also started our Read Write Inc phonics learning this week. The children have been really enjoying learning their sounds and using their Fred talk to blend words. We will be sharing lots more information about this at our **Parent Meeting on Monday**. We are looking forward to see you all then!

Do remember to check Tapestry for updates. All parents who have provided the office with permission for this should now have a login – please catch me at the school gate if you haven't received yours.

Have a lovely weekend,
Mrs McKnight

Well done for coming to school every day! A missed day of school is a missed 6 hours of learning time so keep up the good work!

Star of the Week

Our Star of the Week is **Finley** this week. Finley has been a super Tryatops and joined in with all our singing! Well done Finley!

Important!

We have our EYFS Parent meeting on Monday 20th September at 4pm. Please use the link to join the meeting.
