Reading –

Please read at least 4 times a week and record what you have read in your reading record.

PE

Tuesday: Outdoor PE

Thursday: Indoor PE

Forest School

Monday

Dear Parents and Carers,

We have had another wonderful week in Swallows and the children have been very busy.

In Art the children were finding out all about tone and tint and really enjoyed using their paints to explore this. In Geography, we have continued to look at the weather but also had a think about the different seasons, what the weather is normally like and what activities may happen at each time of the year. We also talked about how they can keep themselves safe in different weather by wearing the right clothing and using sun cream to protect their skin. We had an amazing time in gymnastics where we got out the big apparatus in the hall. The children had fun exploring the apparatus and learning how to use it safely. Next week we will be beginning to look at how they can combine the apparatus with some of the balances they have already learnt.

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible. This time of year always brings a lot of coughs and colds and we are grateful for parents being particularly vigilant about ensuring that children are well enough to be in school and in particular making use of the PCR tests available when children show any symptoms. Please continue to bring your child to school if they are well enough unless they have had a positive test result.

Please could we request that children practise putting on their socks and tights to aid us during P.E. lessons (it takes a considerable amount of time to put on 20 pairs of socks!). Many thanks.

If you have any concerns or questions, then please do speak to us or send a message via the office dartington@lapsw.org.

Best wishes,
Mrs Rowe and Mrs Jones

Class Attendance

Please ensure your child attends school every day.

Every day missed is 6 hours of learning lost.

Star of the Week

Florence – for being an absolute super-star in class by showing amazing listening and always trying her hardest in everything she does. You show real compassion to your class mates and always think of others. 

Important!

Please can all children leave their PE kits in school during the week.
Please can all children have a water bottle and a coat in school every day.

Together we grow, Together we flourish

TOGETHER WE EMPOWER EXCELLENCE
