Dear Parents and Carers,

Wow, I am so impressed with the way the new Tawny Owls have come back to school after their summer holidays! We are seeing such focus and a love of being back in the classroom - which is fantastic and is making us all excited for the year ahead.

This week we have spent some time settling in and getting to know each other as Tawny Owls. We have taken time to focus on setting a positive learning environment in our class, as well as around the school, by creating our own class charter. The children showed incredible compassion and wisdom while considering their ideas for rules to live by.

We also used our school value of creativity to decorate the outside area for the Tawny Owls – we spent a crafty afternoon decorating pebbles and using playdough to make owls, nests and night scenes. The children were so proud of their unique creations and they've taken pride of place outside our window – Well Done Tawny Owls!

Finally, can I please thank you for your patience with the school lunches this week - hopefully all systems will be back up and running as soon as possible.

As always, please do get in touch if needed on our admin email.

Best wishes, Miss Wakeham

As of next week, our class attendance % will be shared with you here.

Please remember that every day missed is 6 hours of learning lost.

Star of the Week

This week's star learner is **Louis** for setting a great example with his random acts of kindness and positive attitude towards learning 😊

Important!

Please ensure your child has a water bottle and a raincoat daily as our weather is so unpredictable at the moment.
