Date: Friday 8th October 2021

HOME LEARNING

Art

In art we have been learning about Becky Bettesworth's *travel poster style* artwork.

This week's home learning is to create your own travel poster for a place you love to go to. This would be best created on paper then uploaded via a photo on Google classroom or brought into school. Have fun.

Maths

Have a go at numbots online to practice your fluency with your number bond recall. Remember to let me know if you need a new copy of your login details.

Reminders:

- Usually this term our PE sessions will be on Monday and Friday. As the weather is so variable, please ensure PE kits are now in school all week so we can make the most of the drier days if needed. Thank you.

Dear Parents,

This week, we have had a wonderful week and have worked hard on all of our learning.

In reading this week, some of the Nightingales have been improving their reading fluency in their Read, Write, Inc lessons and in the classroom we have been developing our reading skills using DERIC; Decode, Explain, Retrieve, Infer, Choice to help us understand text from our class novel, 'Swimming against the storm'.

In maths, we have been focusing on developing and deepening of place value and using this to help us to order and compare numbers. The Nightingales have become more confident at ordering numbers into ascending and descending orders using their knowledge of place value.

In art this week, we entered a *whole school* competition to design a Christmas card. We have been basing our designs around the theme 'Compassion at Christmas' and are looking forward to finishing these next week!

I hope you all have a safe and enjoyable weekend,

Mrs Davis

Our attendance for last week was 96.3%.

Let's try get it above 98% Nightingales.

Star of the Week

This week our award goes to **Cienna** for showing compassion to others when they need some help in the classroom or out on the playground. Well done Cienna.

Important!

Please ensure named, waterproof coats are brought into school every day. Thank you.

Together we grow, Together we flourish

TOGETHER WE EMPOWER EXCELLENCE
