Forest School

Monday

Dear Parents and Carers,

Wow, October already – where did September go!

This week, in Geography, we have been finding out all about weather forecasts. The children have really enjoyed becoming weather forecasters and doing their own forecasts (it seems that we are going to be in for a very stormy and snowy week!).

In R.E. we have been thinking about love, and linking this to the story of the lost coin. We learn that Christians are taught that they should love each other and love everybody. We then worked together to show how we can love other people or ourselves.

In Art we had great fun exploring texture. We thought about how Yvonne Coomber uses texture in her art work, and we talked about how we can create different textures using paint. We then had a wonderful time exploring how we could create different textures.

In Maths we have been continuing to look at number and have begun thinking about finding one more and one less than numbers to 10. Can the children work out how many people there would be if one more came to dinner, or if they lost one of their teddies?

Please could we request that children practise putting on their socks and tights to aid us during P.E. lessons (it takes a considerable amount of time to put on 20 pairs of socks!). Many thanks.

If you have any concerns or questions then please do speak to us or send a message via the office dartington@lapsw.org.

Best wishes,
Mrs Rowe and Mrs Jones

Class Attendance

Please ensure your child attends school every day.

Every day missed is 6 hours of learning lost.

Star of the Week

Rudy – for thinking really carefully about materials during his science lesson and asking some amazing questions – well done for sharing your wisdom. 

Important!

As the autumnal weather approaches, please could you ensure you child has their coat in school.

Together we grow, Together we flourish

TOGETHER WE EMPOWER EXCELLENCE
