

# ‘Together we grow, Together we flourish’

Dear Parents,

We are two pupils from Dartington Primary and we would like to arrange a fundraiser for the charity Brooke on Thursday December 2<sup>nd</sup> 2021.

We have picked the charity because it is a charity for working horses, donkeys and mules. Supporting Brooke, means we are making a real difference to the animals and the lives of the people who depend upon them. They provide shelter, food and water as well as vets if needed. The animal health is linked to the health of the families living in Africa, Asia, Latin America and the Middle East.

You can find more information on their website here [Brooke | Action for Working Horses and Donkeys \(thebrooke.org\)](https://thebrooke.org)

We would like to ask for your help. We are going to have a book, toy and cake sale on Thursday 2<sup>nd</sup> December at the end of the day. **Can you please bring in any old toys, books or cakes to go on our stands?** That would be much appreciated. We will be selling them and giving them new homes!

Please bring in any book or toy donations by Monday 29<sup>th</sup> of October so we can get them ready. Please bring any cake donations on Thursday 2<sup>nd</sup> December 2021.

**Please bring some coins in on Thursday 2<sup>nd</sup> December so you can buy new toys, books and cakes!**

Thank you for reading our letter, help us to make a difference!
