Home Learning – Sounds

Dear Parents and Carers,

As our Nativity performance approaches, please could we request that any children who have not yet brought their costumes into school, bring it in in a named bag at the earliest opportunity. Please do speak to us if you need any assistance with this. We will be sending tickets home early next week for our shows.

As part of our science lessons, the children were learning about how animals have adapted to suit their environment. We were extremely lucky to have Mrs Hubert from Frazoo bring in some beetles and snakes to show the class and share her wealth of knowledge. If you want to find out more, have a look at her website www.frazoo.co.uk.

Our class sound of the week is ‘ir’. For home learning, we would like the children to watch the short video to practise this sound. Please note, this link expires on 3rd December.

Please do not forget to login to Oxford Owl and read the texts assigned to your child. There may also be a quiz to do which will be based on sounds the children are familiar with.

If you have any concerns or questions then please do speak to us or send a message via the office dartington@lapsw.org.

Many thanks,
The KS1 Team
