## Home Learning – Sounds

Please do not forget to login to Oxford Owl and read the texts assigned to your child. There may also be a quiz to do which will be based on sounds the children are familiar with.

Dear Parents and Carers,

We have been continuing to work hard on our KS1 Nativity and are really hoping to be able to put together a video recording to send home for everyone to see. Unfortunately, due to absences this is proving slightly tricky, but we will do everything possible to get a copy to you before the end of term.

In D.T. the children have been continuing to explore different moving parts and have been trying out different ways to make things move on a card. Next week, we will be bringing all this together to make a Christmas card incorporating some of the skills they have learnt.

On Thursday, the children enjoyed their traditional Christmas lunch at school. It is such a lovely occasion with the class all sitting down together and having time to share all of their excitement about the festive season.

Our class sound of the week is 'u\_e'. For home learning, we would like the children to watch the short video to practise this sound. Please note, this link expires on 22<sup>nd</sup> December.

## Class Attendance

Please ensure your child attends school every day.

Every day missed is 6 hours of learning lost.

**Star of the Week**  
Esmay – for her amazing home learning every week, especially her work about Isambard Kingdom Brunel that linked to both our history and Design and Technology topics. 

**Important!**  
Please remember to bring in a waterproof coat every day.
