Dear Parents and Carers,

We have had a lovely week in the environment this week, continuing our learning about Andrew Goldsworthy in art and going on a Geography focused walk around the school grounds. The children were thinking about where different places were and how we could show this on a map. We also thought about why things were in particular places, and how this helped us. In Science, we have been exploring the sense of taste and experiencing the difference between sour, salty, bitter and sweet flavours.

We continue to have daily RWInc lessons but also focus on particular sounds in our classes. This week, we are looking at the sound **ea**. To help support your child, please could you try and go through the attached video with them and have a go at some of the spelling activities.

Those children who have finished the Read Write Inc programme could make a list of as many words with 'ea' in as possible and perhaps write their own sentences for a few of them.

If you have any concerns or questions, then please do speak to us or send a message via the office dartington@lapsw.org.

Many thanks,
Mrs Ryan-Carter

Class Attendance

Please ensure your child attends school every day.

Every day missed is 6 hours of learning lost.

Star of the Week Pippa

For her random acts of kindness, her incredible maths work this term, and for always finishing her work to the best of her ability.

The children will not be allowed to join in PE without a kit and suitable footwear for outdoor games. Any jogging bottoms, T-shirt and dedicated trainers or shoes will be acceptable.
