# Tawny Owls Weekly Newsletter

**Friday 21st January 2022**

## HOME LEARNING

### HOME LEARNING

#### Reading -

Please enjoy reading at least 4 times a week, both on your own and with grown-ups.

#### Maths -

Please practise your maths fluency and times tables knowledge with Numbots and TT Rockstars – aim to play for 10 minutes about 3 times a week.

**Google Classroom** – In Art, the children have worked on including symmetry within their art. Can the children create a symmetrical piece of art?

## ROUTINES

### PE - Thursday (indoors) and Monday (outdoors)

Please ensure PE kits are in on these days, including trainers or plimsoles.

### Forest School – Tuesday

Feel free to bring wellies, wet weather gear or a change of clothes

**Please name all items of clothing clearly to help us limit lost property.**

Dear Parents and Carers,

We have had another fantastic week of learning and I am pleased to be able to share some of the amazing extra-curricular support that has taken place.

In Forest School, the children spent time creating sedimentary cliffs in pots and jars. They thought carefully about the layers they created and were able to draw on their science learning to explain the process. Please see Emi's example in the photo.

In geography, the children were very excited to witness a volcano exploding in our playground. Angus worked hard at home to create a volcano and he kindly shared it with the whole class so we could witness the explosion. The Tawny Owls would like to say another big thank you for providing the ingredients and an amazing learning experience for us all!

The children are coming on really well with their timetables in class, and are working hard to increase their daily scores. They are always so excited to notice their improvements. If possible, home support to access TT Rockstars would be a great way to help with times tables knowledge and fluency. We recommend about ten minutes roughly three times a week.

As always please do get in touch if needed on our admin email.

Best wishes, Miss Wakeham

## Our Class Attendance

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible.

### Star of the Week

This week's star learner is **Mateo** for being a very conscientious scientist and encouraging his group to take meticulous notes while experimenting 😊

### Important!

**Please ensure your child has a water bottle and a raincoat daily as our weather is so unpredictable at the moment.**

**Together we grow, Together we flourish**

**TOGETHER WE EMPOWER EXCELLENCE**
