CHURCH OF ENGLAND ACADEMY

Woodpeckers Weekly Newsletter

Friday 28th January

HOME LEARNING

Google Classroom - The class code for our class is: ydsw2zh

Reading – Please continue to read at least four times per week at home.

Spellings – Please learn the spellings from the lists attached. There is a support group list for those children for whom spelling is particularly tricky.

Maths- Keep practising your number facts using the TT Rockstars and Numbots apps

ROUTINES

Please note these routines are subject to change.

PE –Thursdays (indoor) and Fridays (outdoor)

Forest School – Tuesdays

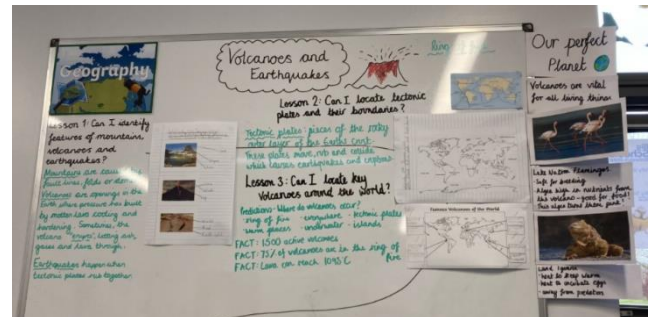

Please continue to ensure your child has a water bottle and a waterproof coat (with a hood) with them each day. Thank you.

Dear Parents and Carers,
For those of you who haven't seen them, below are some pictures of last week's online gymnastics festival, organised by Spires College. It was such a lovely opportunity for our children to learn new skills alongside pupils from our sister schools across the whole trust.

A real buzz of enthusiasm can be felt in class this week around our geography topic of volcanoes. In forest school they have been identifying the different types of rocks that can be found around the school. A group of them ran up to me in excitement to announce that they had found some quartz. The children have then linked this to their learning in science as they have been learning to describe the properties of rocks. A few children have discovered which rocks they have at home too. Sandstone, quartz and granite seem to be the favourites.

As you are already aware, this week we have had a number of children off with coughs, colds and also covid. I hope everyone feels a lot better soon and that we can have our class back together as soon as possible.

Kind regards, Mrs Foucher.

Attendance: Thank you to everyone for continuing to do everything you can to make sure children are in school as much as possible. Please continue to bring your child to school if they are well enough - unless they have had a positive test result.

Please remember that every day missed is 6 hours of learning lost.

Star of the Week

Jareth – for his excellent enthusiasm for learning across all of our curriculum subjects, showing our school value of wisdom. 😊

Important!

Parent consultations: Wednesday 16th and Thursday 17th February. Please sign up on the classroom door or email me for a meeting time.
