Dear Families,

We have had an unexpected week in our Reception classes, but I know you have all been having a fantastic time at home completing your home learning!

On Tapestry <https://tapestryjournal.com/> I have been able to see Fred and his mum having a fabulous time dancing to our Superhero song; Ella finding lots of amazing things to put on her journey stick; Thomas doing an super job of writing his sounds and Flora creating a lovely 'get well soon' banner for the grownups who help us at school, who are poorly and much much more! Wow! We will spend some time sharing all your photos with the children when we are back at school.

Thank you so much for all your engagement on our home learning projects, we really can't wait to be all back together again soon.

Have a lovely weekend,

Mrs Carr and the EYFS team

Attendance

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible. This time of year always brings a lot of coughs and colds and we are grateful for parents being particularly vigilant about ensuring that children are well enough to be in school and in particular making use of the PCR tests available when children show any symptoms.

Please continue to bring your child to school if they are well enough unless they have had a positive test result.

Star of the Week

Our star of the week this week is ...**all of the children in Reception!** You have been superstars while completing your learning at home.

Isla has lost her toy dog – Rufus – and he is very special to her. Please have a look and keep your eyes open for him – thank you! 😊
