

Dear Parents,

It is almost time for our Spring Term parents' consultations where we discuss how well your child has settled and their targets for the year ahead. These will be held **week commencing the 14th of February 2022**. The teachers have chosen the nights below. This is a wonderful opportunity to meet, again, with your child's class teacher to discuss their learning so far this year. As we have an increase in covid numbers again, we have chosen to run these virtually, but we are hoping for these to be face to face again by the Summer term.

To book your slot, please sign up on the sheet outside of each classroom from Wednesday 26th January 2022. If you are unable to come into school to sign your name up, please email in the office and they will sign up for you. The consultations will be virtual through **Google Classrooms**. If you would prefer a telephone call, please let the teacher know when you sign up.

If your child is on **Tapestry**, the teachers will book your slots on the gate in the morning and after school. They will put a link on Tapestry prior to the parent's evening. If you would prefer a telephone call, please let the teacher know.

The days for your child's class, commencing the 14th of February, are as follows:

FLOURISHING FUTURES

To access the consultation, you will need to use your child's Google classroom. Everyone has one now, so please make sure that you have familiarised yourself with this at home.

On the evening, there will be a link for the consultation. We would ask you to please not log in until your actual time. The teacher will admit you to the meeting once the last parent has finished.

Please see the instructions below on how to log in:

For those in EYFS without Google classroom, a link will be posted on Tapestry to click on. This should take you directly to the meeting. If you are struggling, you can copy and paste the meeting link into Google and it will work.

For those with Google classroom,

- Tap the Google Classroom icon  and log in using *your child's Google Classroom account* details.

- Select your child's class.

-  On the 'Stream' there will be a link to the parents evening meeting. Click on this link.

- If requested, tap Allow to enable Meet to use your camera and microphone.

-  To join the parents evening meeting, tap ask to join at the relevant time.

- Your class teacher will then allow you into the meeting once the last parent has finished.

Best wishes
Mrs Huish
