Home Learning

Please enjoy time reading together at home every evening. Reading for pleasure enhances children's vocabulary and life chance, and is a lovely way to bond and have some calm time together.

Dear grown-ups,

We have had a lovely week in Sparrow class this week.

The children have enjoyed playing with the Duplo and have been working together to build towers and see how high they can go! Once they had built their towers, they enjoyed counting how many bricks they had used and compared them to see whose was taller.

We had a special visitor in school this week, Dan Magnes, who is known for his football tricks. The children loved watching him do a performance showcasing all the exciting tricks he knows, and we later talked about our favourite parts of the show.

Some of the children joined the Wrens class this week and headed down to Bear Camp. They each made a wand and enjoyed choosing different coloured wool and feathers to make their wand special. They then chose different buttons and used colourful pens to decorate them, and once they had made their wands they enjoyed some explorer time outside.

Have a lovely weekend,

Kind regards,

Mrs Bell and Miss B

Attendance

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible. This time of year always brings a lot of coughs and colds and we are grateful for parents being particularly vigilant about ensuring that children are well enough to be in school and in particular making use of the PCR tests available when children show any symptoms.

Please continue to bring your child to school if they are well enough unless they have had a positive test result.

Star of the Week

Faith

For being such a kind friend.

Important!

It is very cold at the moment and lots of children are wrapping up with gloves, hats and scarfs. Please remember to name these so we can return them easily if they are mislaid! Thank you!

Together we grow, Together we flourish

TOGETHER WE EMPOWER EXCELLENCE
