Forest School

Monday

Dear Parents and Carers,

It has been lovely to welcome back the children to school this week. We have started our topic of the history of flight, we constructed paper airplanes and had a competition. In RE we have carried on with the focus of Judaism, looking at the Torah this week, even making our own mini Torahs with the Hebrew inscription of shalom. Finally, we have started our new focus in maths on the properties of shape, the class really enjoyed going on a shape hunt in their groups to find cubes, cylinders, spheres, and cuboids.

World book day was fantastic this year, our deputy head Mrs. Foucher organised an exciting day with a special talk from the award-winning illustrator and author Catherine Rayner. Check the Dartington facebook and twitter page for photos.

If you have any concerns or questions, then please do speak to us or send a message via the office dartington@lapsw.org.

Many thanks,
Miss Hardy
