Monday

Dear Parents and Carers,

We have had another busy week in Starlings.

In Maths we have been doing statistics and making our own block graphs from multi-link, drawing our results on paper, and then interpreting the results and asking our own questions.

In RE we learnt about the Jewish Festival of lights and the story of the miracle of the oil.

In History we have been learning more about our topic on flight and in PE and music linked this to the song 'Those Magnificent men in their flying machines!' The children thoroughly enjoyed twiddling their pretend moustaches and pulling on their aviator goggles and flying round the hall in formation with their partners and then small groups. We continued this theme for our comic relief 'danceathon.'

Thanks to all our parents who helped their children bake cakes or donated cakes for the cake stall.

Our class sound of the week is o-e. To help support your child, please could you try and go through the attached video with them and have a go at some of the spelling activities.
