Tuesday: Indoor PE

Wednesday: Outdoor PE

Forest School

Monday

Dear Parents and Carers,

Wow, it is difficult to believe that we have reached the end of the Spring Term and will be returning in the Summer Term after the Easter break - the children's final term in Year 1!

This week we have been finishing off all of our learning in History, R.E., D.T. and Science. In Science, the children have designed a habitat for an animal of their choice and incorporated the food chain for that animal. In History, the children reviewed everything they have learnt about the History of Flight and then chose which aircraft was their favourite, drew a picture and wrote a little bit about it. We were blown away with the independent writing the children did. The children also had great fun making and evaluating their healthy snacks during D.T..

It was lovely to see the children supporting our Ukraine Fundraising Day. The bright blue and yellow across the class was amazing. Thank you for your support.

Please could we ask that, over the holidays, the children continue to read as often as possible. This can be any reading material that the children enjoy, books, comics, recipes etc.

We hope everyone has a lovely break and we look forward to seeing everyone refreshed for the Summer Term.

If you have any concerns or questions, then please do speak to us or send a message via the office dartington@lapsw.org.

Many thanks,
Mrs Rowe and Mrs Jones

Class Attendance

Please ensure your child attends school every day.

Every day missed is 6 hours of learning lost.

Star of the Week

Eric – for his wonderful independent writing all about his favourite aircraft. He thought carefully about his sounds and made sure he wrote full sentences – well done!

Important!

Please support your child by reading during the holidays.

Together we grow, Together we flourish

TOGETHER WE EMPOWER EXCELLENCE
