Thursday: Indoor PE

Friday: Outdoor PE

Forest School

Monday

Dear Parents and Carers,

What a busy week we have had in Kingfishers! We have started our SATS having completed the first two papers - every child has worked so hard, and we are so proud of them. In RE this week, we have looked at the question 'who do Christians believe created the world' and had a go at retelling the creation story. In Science this week we looked at different vegetables, their structure, and how they grow. In forest school with Mrs. Mathews this week, the kingfishers planted marigold seeds, we are so excited to watch them grow!

The week beginning 23rd May we have a Half Price Scholastic Book Fair, come, and browse after school each day from Monday – to Thursday.

Our sound of the week is 'ie'. This is quite a tricky sound for the children to remember and is also found more regularly in longer words. It would be great if the children could watch and join in with this video:

Please can you ensure your child is coming in with a waterproof coat every day, with it being summer term and the typical summer weather we get, it's important that each child is still bringing in a raincoat every day. As well as wellies every Monday for forest school.

If you have any concerns or questions, then please do speak to us, or send a message via the office at dartington@lapsw.org.

Many thanks,

Miss Hardy

Class Attendance

Please ensure your child attends school every day.

Every day missed is 6 hours of learning lost.

Stars of the Week

Nell – For extending her geography learning out this week by creating a beautiful piece of homework. Well done Nell!

Important!

Please ensure your child has wellies in school for Forest School and a raincoat everyday.

Together we grow, Together we flourish

TOGETHER WE EMPOWER EXCELLENCE
