Sparrows Weekly Newsletter

Friday 20th May 2022

Home Learning

Please enjoy time reading together at home every evening. Reading for pleasure enhances children's vocabulary and life chance, and is a lovely way to bond and have some calm time together.

Forest school

On Wednesday we will be joining the Wrens and Robins in their forest school session so please make sure your child has their coat, wellies and spare clothes.

Library

Our Library session will be on Friday afternoons. Please ensure that your child brings their book back on this day so we can return it and take out a new one!

Dear grown-ups,

We have had a brilliant week in Sparrows class! We have enjoyed doing lots of painting, talking about what colours to mix together to make another colour, and creating beautiful pictures. The children have loved making flowers using tissue paper, card and straws. They worked carefully to stick all the pieces together and were very proud of themselves once they had finished them. We also enjoyed making some nests out of paper and using different coloured pom poms as the eggs.

We have enjoyed reading lots of stories, talking about all the characters in the story and who our favourite characters are. The children have been good at talking to their partner and then bringing their attention back when they needed to. Well done Sparrows! The sparrows loved our weekly trip to the library and have chosen a new book to bring home and read with you.

This week we have continued to talk more about ponds and what we find in them. We watched a clip about different things that live in ponds such as frogs and fish, and the children shared all of their amazing knowledge of pond skaters and frogspawn.

The class photos have been handed out to your children so if they were there on the day the photo was taken, they will be bringing them home. If you would like to purchase the photograph, please do so online as the office are very busy.

Have a lovely weekend,
Kind regards,
Miss B and Ms Misa

Attendance

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible.

Star of the Week

Elowyn

For being so helpful and always offering to tidy up! 😊

Important!

Although the weather is getting nicer, it is important for your child to always have a raincoat with them in case the weather changes!

Together we grow, Together we flourish

TOGETHER WE EMPOWER EXCELLENCE
