Home Learning

Please enjoy time reading together at home every evening. Reading for pleasure enhances children's vocabulary and life chance, and is a lovely way to bond and have some calm time together.

Forest school

On Wednesday we will be joining the Wrens and Robins in their forest school session so please make sure your child has their coat, wellies and spare clothes.

Library

Our Library session will be on Friday afternoons. Please ensure that your child brings their book back on this day so we can return it and take out a new one!

Dear grown-ups,

We have had another lovely week in Sparrows class. The children were fantastic while I was away and showed amazing listening skills to the different teachers they had during the three days. Well done Sparrows!

This week the children have enjoyed decorating boxes that we had spare, turning them into all sorts of things from the sea with fish swimming around to a dinosaur sanctuary. They used different materials to create their super boxes, choosing the colours they wanted to use carefully.

We have enjoyed creating pictures using cookie cutters to make different shapes on our pictures, dipping them in the paint and pressing them down onto the paper and the children talked to each other about the shapes that they were using and why.

The children have loved playing with the dinosaurs in the sand, working together to create a home for the dinosaurs using the construction bricks. They have also enjoyed playing together in the soft play, practising their balancing, and jumping.

Have a lovely half term and we look forward to welcoming you back on the Tuesday 7th June!

Kind regards,
Miss B and Ms Misa

Attendance

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible.

Star of the Week

Gabe

For being so kind to all his friends 😊

Important!

Although the weather is getting nicer, it is important for your child to always have a raincoat with them in case the weather changes!
