Forest School

Monday

Dear families,

Well done to all our year 2s who have completed all their SATs this week! We are blown away by the hard work and determination they have shown. It's been great to see what they know and use the gaps to help us plan for next term.

This week in art, we used frottage to create our own animals in the style of Max Ernst. They were fantastic and we had great fun experimenting with different textures.

In science, we used everything that we have learnt this term to create mini books to help EYFS find out all about plants too!

Our year 2s also had great fun making bunting in preparation for our jubilee party after half term. Mrs Jones helped us find out lots of information about Queen Elizabeth. We can't wait to see lots of you at our jubilee celebrations.

Book Amnesty

We are now very low on Read Write Inc reading books in school. Please return any you have at home to us asap. Thank you!

Reading Records

After half term there will be new reading journals going home. Please let us know if you do not receive one. This will contain lots of new information. If you have any questions, please get in touch.

Coats

In this unpredictable English weather, please ensure your child has a waterproof coat in school every day. Thank you.

Have a lovely break and we will see you back in school on TUESDAY 7th June.

Mrs Calder & Mrs Ryan-Carter ☺

Class Attendance

Please ensure your child attends school every day.

Every day missed is 6 hours of learning lost.

Star of the Week

Penny – for working SO hard on her maths this week and never giving up.

Important!

Please bring your reading book back each week to be changed.
