Friday 27<sup>th</sup> May 2022

## HOME LEARNING

### Reading -

Please enjoy reading at least 4 times a week, both on your own and with grown-ups.

### Maths -

Please practise your maths fluency and times tables knowledge with Numbots and TT Rockstars – aim to play for 10 minutes about 3 times a week.

**Google Classroom** – Can you create some Jubilee decorations for our party when we come back to school?

## ROUTINES

### PE - Thursday (indoors) and Monday (outdoors)

Please ensure PE kits are in on these days, including trainers or plimsoles.

### Forest School – Tuesday

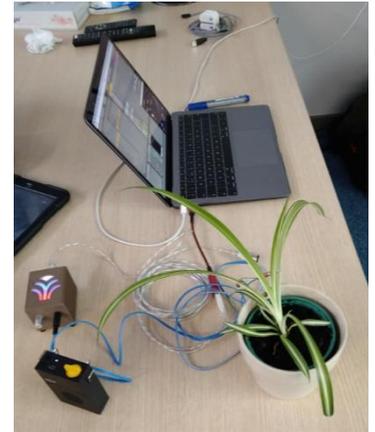

Feel free to bring wellies, wet weather gear or a change of clothes

**Please name all items of clothing clearly to help us limit lost property.**

Dear Parents and Carers,

Happy half-term!!

We have had another cracking week, which has been full of amazing opportunities to expand our children’s horizons and opportunities. We had our final day with Jason Singh – our minds were blown when he played us that music that is naturally created within all living things. A spider plant from the office came to life when its electrical pulses were translated into musical instruments through some very clever technology!

We finished our week with a treat day of art activities, which were kindly supported by Didi’s Grandad. He inspired us all to create our best Giacometti inspired sculptures of the human form.

When we return to school, we will be having our Jubilee Party, which you are all invited to. If the children have a spare minute in their busy holidays, we would appreciate any Jubilee decorations that they can create so we can decorate our party with all their beautiful creations. Ideas for crafting could be - bunting, colouring pictures, painted pebbles or anything the children can imagine.

As always please do get in touch if needed on our admin email.

Best wishes, Miss Wakeham

## Our Class Attendance

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible.

### Star of the Week

This week’s star learner is Lowri for trying so hard in her RWI lessons to make the most progress she can – her reading has improved so much because of her hard work 😊

### Important!

**The weather is getting warmer. Please ensure your child has a water bottle, sunhat and suncream daily.**

**A raincoat is still a vital item – good old British weather!**

**Together we grow, Together we flourish**

**TOGETHER WE EMPOWER EXCELLENCE**
