Monday

Dear Parents and Carers,

Thank you to everyone that came and supported our Jubilee Street Party. It was fantastic to see so many people in school and the children all had an amazing time.

This week we started our new topic in DT, we are planning to make our own pencil cases at the end of term so we looked at different materials that could be suitable for our final piece. In Maths this week we have been learning how to measure different lengths using centimetres and metres. In History we looked at Queen Victoria and her Diamond Jubilee, testing our inference skills by looking at old photographs. Finally, in RE we looked at the Christian story of the Good Samaritan and how we can be good neighbours.

It is almost time for our Summer Term parents' consultations, these will be held on Monday the 11th and Monday the 18th of July 2022. To book a 10-minute slot, please sign up on the sheet outside of the kingfishers' classroom.

As always, if you have any concerns or questions then please do speak to me or send a message via the office dartington@lapsw.org.

Many thanks,

Miss Hardy

Class Attendance

Please ensure your child attends school every day.

Every day missed is 6 hours of learning lost.

Stars of the Week

Isaac – For consistently working hard across all of the curriculum and putting a smile on my face every day.

Important!
