

Dear Parents,

It is almost time for our Summer Term parents' consultations where we celebrate your child's successes and how they have overcome challenges this year in their learning as well as socially. These will be held **on Monday the 11th and Monday the 18th of July 2022 (except Starlings which will be Monday 11th and Thursday 14th of July 2022).**

To book your slot, please sign up on the sheet outside of each classroom from Monday 20th June 2022. If you are unable to come into school to sign your name up, please email into the class teacher and they will sign up for you. The consultations will be face to face, but if you would prefer a telephone call, please let us know and teachers will book those in at another time.

Each slot is 10 minutes long, so we ask for your support in arriving on time and there will be a member of staff supporting teachers, so we don't run over. If you think that you will need more time allocated, please contact your child's teacher in advance so they can arrange this for you.

The consultations will be held in the KS1 block. When you arrive at the school, please come through the main gate, as usual, and there will be a sign to show you which door to come in through. There will be your children's books for you to look through before you meet with the teacher. It is an opportunity to enjoy your child's work and talk through the report comments with your child's teacher before they move on in September.

Best wishes
Mrs Huish
Headteacher
