# Robins Weekly Newsletter

**Friday 10<sup>th</sup> June 2022**

## ROUTINES next week:

**Book bags:** Please bring **book bags every day**. We will change all books now on Fridays so please ensure that reading and library books are in the bags on Fridays. We will be visiting the library on Friday afternoon. Please do record your reading in your child's reading record so we can see what they have been doing at home. Thank you! 😊

**Forest School** will be on **Wednesday afternoon**. Please remember wellies, just in case it is wet, and a hat if it is sunny!

**PE will be on Thursday morning**. Please come to school wearing appropriate shoes (trainers or plimsols), shorts or joggers and a T-shirt. Please ensure long hair is tied back. This half term we will be practising our races ready for Sports Day! 😊

Dear grown-ups,

This week we have been really lucky to enjoy two exciting enrichment events in Robins Class. On Tuesday we welcomed Alex and Amber, who are police officers based in Torbay, to our school. They showed us their uniforms and talked through all the equipment they use in their jobs, let us explore their police car (we all had the opportunity to sit inside which was very exciting!) and we asked lots of questions. The children were fantastic, asking really interesting questions and listening carefully to the answers. We discovered that the police work at night as well as in the day and heard some funny stories about herding cows! There are lots of pictures on Tapestry so please do have a look and add a comment!

On Friday we enjoyed our wonderful whole-school Diamond Jubilee lunch. It was so fantastic to welcome parents back into school and to come together as a community – a huge thank you to Danielle and our school kitchen team who did such an amazing job putting on the special lunch for us!

In our RE learning this half term, we are thinking about which places are special and why. For our home learning this week we would love you to find a picture of a place which is special for your child and family and share this with us (please add the photo to Tapestry). This place could be a building or an outside space, it could be religious space, a special holiday destination, your child's first home or a grandparents' house. It would be brilliant to have as many and as varied places as possible! Please share these with us by 8am on Wednesday 15<sup>th</sup> June so that we can use them in our RE lesson on Wednesday. Thank you!

Have a wonderful weekend! See you on Monday,

Mrs McKnight and the EYFS team

## Attendance

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible.

## Star of the Week

This week our star of the week is Ed! We were so proud of the way Ed welcomed our police guests into school and the questions he asked them. Well done Ed!

**Please remember to provide your child with a named sunhat to wear in school (especially at lunchtimes) and ensure all children have cream applied before they come in. Thank you!**

**Together we grow, Together we flourish**

**TOGETHER WE EMPOWER EXCELLENCE**
