Home Learning

Please enjoy time reading together at home every evening. Reading for pleasure enhances children's vocabulary and life chance, and is a lovely way to bond and have some calm time together.

Forest school

On Wednesday we will be joining the Wrens and Robins in their forest school session so please make sure your child has their coat, wellies and spare clothes.

Library

Our Library session will be on Friday afternoons. Please ensure that your child brings their book back on this day so we can return it and take out a new one!

Dear grown-ups,

We have had a fantastic week in Sparrows class, enjoying the weather and playing outside. This week the children have enjoyed making 3D art using different coloured strips of paper and sticking them onto another bit of paper to make a wonderful design.

We have loved painting dinosaur pictures using different stencils to help us. We have talked about what dinosaur we are painting and how long-ago dinosaurs lived.

On Wednesday, we joined the Wrens in their forest school session. We walked down to bear camp and each child had a go at making sparks using the flint and steel. It was quite tricky to do but all the children were determined to make a spark so kept trying. We realised that we had to push really hard to see the sparks and after a while of trying we finally made some sparks! Well done Sparrows!

We enjoyed making some smoothies on Friday. We put lots of fruit in a jug, added some juice and blended it all together. It was delicious and really cooled us down on such a hot day.

Have a lovely weekend,
Kind regards,
Miss B and Ms Misa

Attendance

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible.

Star of the Week

Ivy

For having her listening ears on all week!

Important!

Please remember to provide your child with a hat and ensure that they are wearing sun cream as the weather starts to get warmer!
