Dear families,

Welcome back! It has been so lovely to see the children come back from the half term break so full of energy and enthusiasm. Year 1s have spent this week completing the Year 1 phonics screening and they have been amazing. We have been so proud of each and every one of them.

We began finding out about Queen Victoria in history this week. The children were really interested in what it was like to live in Victorian times, and we used some photographs to help us find out more about this.

During our PSHE, the children are looking at how people change as they get older. To support their learning, it would be fantastic if the children could bring in a copy of a photo of an older relative when they were a child, and a more recent one, so that we can explore the differences between them. Please could these be put in a named envelope or folder so that they do not get lost.

We hope everyone who attended had a lovely time at our jubilee tea party this week! We loved being able to have families back in school again.

Have a great weekend. Best wishes,

Mrs Calder & Mrs Ryan-Carter 

Class Attendance

Please ensure your child attends school every day - every day missed is 6 hours of learning lost.

We will be having conversations about low attendance over the next few weeks. Please speak to us if you have any concerns – we're here to help.

Star of the Week

Our year 1s for their amazing phonics this week!

Important!

Book Amnesty - please return any Read Write Inc books as soon as possible
