Home Learning

Please enjoy time reading together at home every evening. Reading for pleasure enhances children's vocabulary and life chance, and is a lovely way to bond and have some calm time together.

Dear grown-ups,

We have had a lovely week in Sparrows class, only two more days to go until summer! This week the children enjoyed joining in the singing assembly and doing some amazing singing. On Wednesday we were lucky enough to watch the year 6 performance of Peter Pan which was just incredible! The Sparrows were amazing at listening and watching the performance, and did not get distracted even though they were sat down for a long time! After the production we went onto the big field and did lots of running to wake our legs up after sitting down for so long!

We joined the Wrens in their forest school session this week, walking down to the front garden and looking for lots of summer things such as flowers, leaves, butterflies, and ladybirds. We found most of the things on our spotter sheet, but some were a bit tricky to find.

On Friday, the Nursery children moving up next year enjoyed our Teddy Bear's Picnic and were excited for their grown ups to join us in school. We had a delicious biscuit each and enjoyed a lovely picnic with our Teddies.

On Monday next week we will be having our end of year party, where we will enjoy some yummy party food and play lots of party games so, please feel free to send your child into Nursery in some party clothes!

Have a lovely weekend,
Kind regards,
Miss B and Ms Misa

Attendance

Thank you to everyone for continuing to do everything we can to make sure children are in school as much as possible.

Star of the Week

Sparrows!

For being such super stars all year! 😊

Important!

Please remember to provide your child with a hat and ensure that they are wearing sun cream as the weather starts to get warmer!

Together we grow, Together we flourish

TOGETHER WE EMPOWER EXCELLENCE
