

Riding Opportunity: Kingfishers/Tawny Owls

Dear Parents,

We have been given an amazing opportunity for our children across the school to participate in two cycling training sessions on the Meadowbrook cycle track with a trained bike coach as part of our PE offer across the curriculum.

These sessions fully funded by the school, will give every child the opportunity to grow and flourish accessing an alternative sport to the National Curriculum and one that is so very important in our local area. One of our school Trust beliefs is realising the possible and our vision for the children is to be able to experience opportunities and grow in confidence and understanding of what they can achieve. Every class will get this opportunity across the year, but the first two classes to have their sessions will be

Tawny Owls 2-3pm Wednesday each week

Kingfishers 1-2pm Wednesday each week

We ask that your child brings their own bike and helmet on Wednesdays but there will be opportunities to share bikes for those who do not have them and if anyone has any spares to donate, please let us know.

If you are unable to provide this and need to share, please let your teacher know as soon as possible.

Best wishes

Mrs Huish
