Kingfishers' Weekly Home Learning

Number Fluency	Writing Fluency	Reading Fluency
Daily TT rockstars/ Numbots	Y2 Spellings from CEW lists Behind Both Break Busy Child Children	Read your phonics/library book or something you enjoy each night (even if it is just a page!) Remember, we give certificates for every 10, 25, 50, and 75 books read. Once you reach 100, you will become a book ambassador!

Kingfishers' Autumn 1 Home Learning Menu

Art	Geography	RE
Create a piece of artwork inspired by Yvonne Coomber.	Look at the weather in different countries including the North and South Poles. Can you find a country on the equator and track the weather?	Consider the question: 'What does it mean to belong to a faith community'. Think and create a poster of ways that you belong (family, friends, clubs).
Science	Across this term, children complete the daily bites size fluency learning and choose a minimum of 3 longer term projects to complete however they wish from the selection to share with classmates. You can choose to present them any way you like: video, powerpoint, leaflet, poster, artwork etc The more creative, the better!	PE
Can you create snow? 1. Pour 3 cups of baking soda in a bowl 2. Add ½ bottle of white hair conditioner gradually and stir. 3. As it starts clumping together use your hands to mix together.		Our focus this half term is on multi-skills. Can you create a ball game that you can teach your friends in school?
Music	Reading For Pleasure	
Learn a song and perform it for your family.	This half term, we love these books.	
	   	
	Why not visit the library in Totnes to see if they have a copy of any of them?
