Art	Geography	RE
Find out about our focus artist, Yvonne Coomber. Create a piece of artwork inspired by Yvonne Coomber.	Look at the weather in different countries including the North and South Poles. Can you find a country on the equator and track the weather?	Consider the question: 'What does it mean to belong to a faith community'. Think and create a poster of ways that you belong (family, friends, clubs).
Science	Across this term, children complete the daily bites size fluency learning and choose a minimum of 3 longer term projects to complete however they wish from the selection to share with classmates. You can choose to present them any way you like: video, powerpoint, leaflet, poster, artwork etc The more creative, the better!	PE
Can you create snow? 1. Pour 3 cups of baking soda in a bowl 2. Add ½ bottle of white hair conditioner gradually and stir. 3. As it starts clumping together use your hands to mix together. Can you write your own set of instructions for how to make it?		Our focus this half term is on fundamental skills. Can you create a ball game that you can teach your friends in school?
Music	Reading For Pleasure	
Learn a song of your choice and perform it for your family.	This half term, we love these books.	
	Why not visit the library in Totnes to see if they have a copy of any of them?
