**Star of the  
week!**

*This week, our Star of the week is awarded to Nell for showing respect to everyone in our class and taking great care with her presentation. Well done, Nell!*

**Important messages for next week:**

Forest school is on Monday.

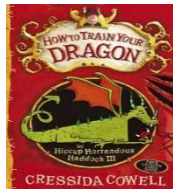

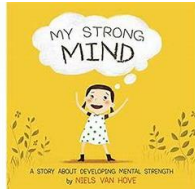

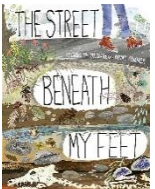

PE is on Tuesday and Friday.

Please help your child to remember to bring their water bottle each day.

Art	Geography	RE
Design and create a Becky Bettsworth inspired landscape picture using natural materials. Please take a photo so that we can share it with the class.	Research some of the effects of climate change on hot and cold places across the world and then create a poster to showcase your findings.	Consider the question: 'What do Christians learn from the Creation story?' Represent one day from the creation story in any style that you like e.g. comic strip, picture, story etc.
Science	<p>Across this term, children complete the daily bite size fluency learning and choose <b>a minimum of 3</b> longer term projects to complete however they wish from the selection to share with classmates.</p> <p><b>The more creative, the better!</b></p>	PE
Create your own shadow puppet using materials that are opaque.		In preparation for next term's biking sessions in PE, please practise your bike riding skills. I wonder where you will go on your bike rides?
Music	Reading For Pleasure	
Please create a percussion instrument out of recycled materials which can be used as an accompaniment for the song 'Mamma Mia'.	<p>This half term, we are sharing these books:</p>    <p>Why not visit your local library to see if they have a copy of any of them?</p>
