### Woodpeckers' Autumn 1 Home Learning Menu

Art	Geography	RE
Design and create a Becky Bettsworth inspired landscape picture using natural materials. Please take a photo so that we can share it with the class.	Research some of the effects of climate change on hot and cold places across the world and then create a poster to showcase your findings.	Consider the question: 'What do Christians learn from the Creation story?' Represent one day from the day from the creation story in any style that you like e.g. comic strip, picture, story etc.
Science	Across this term, children complete the daily bite size fluency learning and choose <b>a minimum of 3</b> longer term projects to complete however they wish from the selection to share with classmates.  <b>The more creative, the better!</b>	PE
Create your own shadow puppet using materials that are opaque.		In preparation for next term's biking sessions in PE, please practise your bike riding skills. I wonder where you will go on your bike rides?
Music	Reading For Pleasure	
Please create a percussion instrument out of recycled materials which can be used as an accompaniment for the song 'Mamma Mia'.	This half term, we are sharing these books:    Why not visit your local library to see if they have a copy of any of them?	

As part of our Trust Charter, we offer children the chance to explore future careers and aspirations. To support this, we would like to invite parents and carers to come in and discuss their jobs with our Key Stage 1 children across the year. If this is something you would be interested in, please speak to your child's class teacher and we can put you in contact with the KS1 team.
