Swifts' Autumn 1 Home Learning Menu		
Art	Geography	RE
Create an abstract landscape inspired by a place you "love to be in/visit." This could be: Your back garden The beach The local park The moors A national trust location	Can you create a cartoon strip of the water cycle? Imagine you are a drop of water, how will you travel through evaporation, condensation, precipitation and collection?	Our question this half term is, "What does it mean for Christians to believe that God is holy and loving?" Christians feel that going to church, connects them to God. Can you create a stained glass window drawing, that connects you to things you feel are important in your life?
Science Can you find items in your home, and classify them in a table, based on properties such as; Hard, soft, transparent, opaque, bendy, rigid, waterproof.	Across this term, children can complete the daily bitesize fluency learning and choose a minimum of 3 longer term projects to complete however they wish, from this selection, to share with classmates. You can choose to present them any way you like: video, PowerPoint, leaflet, poster, artwork etc The more creative, the better!	PE Keeping ourselves fit and healthy means more than just exercise. Take a journal of your food this term and see how your foods rate on the eat healthy plate. Or ride to school etc
Music	Reading For PleasureThis half term, we love these books.Image: state of the plane in	
Livin' on a prayer – Bon Jovi, is our focus song. Can you create a poster about Rock music, with a section about who Bon Jovi are? You might find other bands in your research process, and feel free to include them too.
