Tawny Owls' Autumn 1 Home Learning Menu

Art	Geography	RE
Design and create a 'Becky Bettsworth' inspired landscape picture using natural materials. Please take a photo so we can share them with the class.	Design a poster: research some of the effects of climate change on hot and cold places across the world and then create a poster to showcase your findings.	Consider the question: 'What do Christians learn from the creation story?' Represent one day from the creation story in any style you would like e.g. comic strip, picture, story, etc.
Science	PE	
Create your own shadow puppet using materials that are opaque.	Across this term, children complete the daily bite size fluency learning and choose a minimum of 3 longer term projects to complete however they wish from the selection to share with classmates. The more creative, the better!	In preparation for next terms biking sessions in PE, please practise your bike riding skills. I wonder where you will go on your bike rides?
Music	Reading For Pleasure	
Please create a percussion instrument out of recycled materials, which can be used as an accompaniment for the song 'Mamma Mia'.	This half term, we're sharing these books...  Why not visit your local library to see if they have a copy of any of them?
