Star of the week!

This week, our Star of the week is awarded to Barley for your fantastic work in English. Well done Barley!
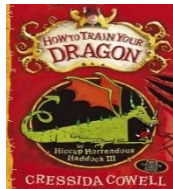

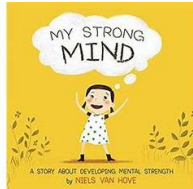

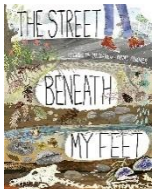

Important messages for next week:

Next week, we have an exciting drama workshop for Year 4s from the award-winning Kandinsky group. These workshops are full of fun and imaginative drama games that turn the participants into inventors!

Woodpeckers' Autumn 1 Home Learning Menu

Art	Geography	RE
Design and create a Becky Bettesworth inspired landscape picture using natural materials. Please take a photo so that we can share it with the class.	Research some of the effects of climate change on hot and cold places across the world and then create a poster to showcase your findings.	Consider the question: 'What do Christians learn from the Creation story?' Represent one day from the day from the creation story in any style that you like e.g. comic strip, picture, story etc.

Science		PE
Create your own shadow puppet using materials that are opaque.	Across this term, children complete the daily bite size fluency learning and choose **a minimum of 3** longer term projects to complete however they wish from the selection to share with classmates. **The more creative, the better!**	In preparation for next term's biking sessions in PE, please practise your bike riding skills. I wonder where you will go on your bike rides?

Music	Reading For Pleasure	
Please create a percussion instrument out of recycled materials which can be used as an accompaniment for the song 'Mamma Mia'.	This half term, we are sharing these books: Why not visit your local library to see if they have a copy of any of them?
