Jane

Mrs Viney

Mrs Mathews

Stars of the week!

Who has sown seeds of our school values: Trust, Peace, Creation and Creativity, Wisdom, Compassion and Love around our school this week?

The Robins Star of the Week is Phoenix for his fantastic effort and enthusiasm towards his learning in R.W.Inc. Good boy!

The Wrens Star of the Week is Jack for settling in well and trying new things. Well done!

Important messages for next week:

Please can we ask that all donkey and 'Bethlehem villager' costumes are in school next week **before Friday 8th December**, ready for our dress rehearsal. If you have any questions or worries about the costumes, please speak to us. We should be able to make anything extra but will need to know in good time.

Thank you to those who have already donated some 'red' food items. If you are able to donate any items of 'red' coloured non-perishable food (tins of tomatoes, dried red lentils, raspberry squash), it would be very much appreciated and go towards our collection in class.

On Wednesday, we have our Christmas Dinner day, Christmas Fair and Rudolf Run - Christmas jumpers are a must! 😊

Robins Class Weekly Home Learning:

Maths Fluency	Writing Fluency	Reading Fluency
<p>This week in maths, we have been looking closely at the number 5. Many of the children suggested lots of different ways in which 5 can be made. For example, '4 and 1 more' or '2 and a 3'. I wonder if your child can recall a number fact or two at home?</p>	<p>Please complete the 'sound of the day' or Ditty reading sheet with your child. We will have already introduced this sound/ ditty during the school day and it is a lovely opportunity for your child to share their learning with you at home.</p>	<p>Read your phonics/library book or something you enjoy each night (even if it is just a page!)</p> <p>Remember, we give certificates for every 10, 25, 50, and 75 books read!</p>

EYFS Autumn 1 Home Learning Menu

Expressive Arts and Design (Music, DT and Art)	Understanding the World (History, Geography, RE and Science)	Communication and Language
<p>Rehearse and perform parts of the Nativity songs. You can use home-made instruments or even dance along if you wish!</p>	<p>Can they tell you about how other religions celebrate Christmas?</p>	<p>Can your child retell you a Traditional Tale as you are out and about on a walk?</p>
<p>Make a 'Worry Jar' and write your child's worries on small strips of paper. Discuss some worries together to support them in expressing their feelings.</p>	<p>Across this term, children complete the daily bitesize fluency learning (above) and choose a minimum of 3 longer term projects to complete. If the project involves a physical item, please feel free to send it in to class for your child to discuss with the class. Others, you may choose to upload a photo or video to Tapestry.</p>	<p>To support the development of your child's fine motor skills, could your child begin to use correct cutlery when eating their food.</p>

Reading For Pleasure

This half term, we love these books.
Why not visit the library in Totnes to see if they have a copy of any of them?
