Mr Jones

Miss Addy

Jane

Mrs Viney

Mrs Mathews

Stars of the week!

Who has sown seeds of our school values: Trust, Peace, Creation and Creativity, Wisdom, Compassion and Love around our school this week?

The Robins Star of the Week is Laila for her fantastic manners that she never fails to remember!
Lovely!

The Wrens Star of the Week is Joey for his amazing maths knowledge of our shape and number of the week. Well done!

Important messages for next week:

In the next couple of weeks, we are going to be planting a variety of seeds to watch them grow. If you, or anyone you know has many unwanted plant pots, please can we ask that you send them into school? We can also re-use and recycle milk bottles by cutting them in half to create pots so any empty and rinsed plastic milk bottles would be useful too! Thank you.

With bank holiday Friday next week, we will aim to change the R.W.Inc books on Thursday instead. Please send bookbags in for Thursday, thank you!

On Thursday 28th March 2-3pm, we have another 'open classroom' event where you are all invited to observe your child's learning and ask any questions you may have as we come to the end of the Spring term. Can you believe there's only 1 term left in Reception!

Robins Class Weekly Home Learning:

Maths Fluency	Writing Fluency	Reading Fluency
<p>This week in our maths work, we have been introduced to the 'Part, part whole' model and have been discussing and exploring ways of adding two numbers together to make a 'whole'. We even have actions to go along with this! I wonder if you can show an adult at home?</p>	<p>Using some of the words in your R.W.Inc book, ditty sheet or CVC words, I wonder if your adult can test your Fred Finger spellings? Parents, don't worry, this is not something that will be 'marked' in school - it would just be lovely for them to show off to you at home! 😊</p>	<p>Read your phonics/library book or something you enjoy each night.</p> <p>Please note, when your child is at the stage of reading words to you at home, this is to be recorded in their diaries to add stickers to their Star Reader bookmarks.</p> <p>Remember, we give certificates for every 10, 25, 50, and 75 books read!</p>

EYFS Spring 2 Home Learning Menu

Expressive Arts and Design (Music, DT and Art)	Understanding the World (History, Geography, RE and Science)	Communication and Language
<p>This term, we will be talking lots about revisiting and improving our work through practise and resilience. I wonder if you could draw or paint a picture of your favourite toy? Remember to look for ways of improving or adding to your artwork.</p>	<p>This term, we will be using our Topic lessons to our Fantastical tales/ changing and growing. I wonder if you can plant some seeds, care for them and watch them grow over the next few weeks? As they are growing, please take pictures for us to watch it grow over time.</p>	<p>As Spring approaches, talk with your adult about any signs of spring that you can spot maybe on your journey home from school or when out and about.</p>
Personal, Social, Emotional Development	<p>Across this term, children complete the daily bitesize fluency learning (above) and choose a minimum of 3 longer term projects to complete. If the project involves a physical item, please feel free to send it in to class for your child to discuss with the class. Others, you may choose to upload a photo or video to Tapestry.</p>	Physical Development
<p>Draw a positive portrait poster and write (with help if necessary) all the things that you feel you are good at. This could be 'I am good at sharing with my brother' etc.</p>		<p>To support the development of your child's fine motor skills and independence in school, please support them with cutting their food using a knife and fork at dinner time.</p>
Reading For Pleasure		

This half term, we love these books.

Why not visit the library in Totnes to see if they have a copy of any of them?
