## Spring 2 Home Learning Menu

Art	Geography	RE
We are going to be looking at frame structures, where we will build our very own structure.  Thinking about structures, can you create the tallest tower you can from one piece of A4 paper. You can use scissors but no glue, tape or other materials.  Take a picture of your finished tower!	We are looking at World War 2. Can you create a World War 2 artefact e.g. a medal, a ration book, an aeroplane.  	Our question this half term is, "Why is the Torah so important to Jewish people?"  Can you create an acrostic poem for the word TORAH.
Science	Here is our Spring term 1 home learning. We would appreciate if the maths and spelling is completed weekly. Then the wider subjects are areas to look at cross the whole half term 😊	PE
We are going to be looking at forces.   Make a paper helicopter and investigate the effects of air resistance and gravity. Time how long it to fall to the ground. Can you alter your aeroplane to make it fall faster/slower?		Handball/hockey  Can you create a poster about teamwork.  What do you need to be a team?
Music	Reading For Pleasure	
We are exploring a range of musical styles.  Can you create a poster or a dance routing to work alongside your favourite musical style, e.g classical, pop, rock, dance.	This half term, we love these books.  Why not visit the library in Totnes to see if they have a copy of any of them?
