##### Reading Fluency

Read your phonics/library book or something you enjoy each night (even if it is just a page!)

Remember, we give certificates for every 10, 25, 50, and 75 books read. Once you reach 100, you will become a book ambassador!

##### DT

We are going to be looking at frame structures, where we will build our very own structure.  
  
Thinking about structures, can you create the tallest tower you can from one piece of A4 paper. You can use scissors but no glue, tape or other materials.  
  
Take a picture of your finished tower!

##### History

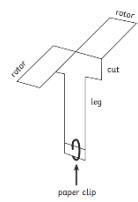

We are looking at World War 2.  
Can you create a World War 2 artefact e.g. a medal, a ration book, an aeroplane.

##### RE

Our question this half term is, "Why is the Torah so important to Jewish people?"  
  
Can you create an acrostic poem for the word TORAH.

##### Science

We are going to be looking at forces.  
  
  
Make a paper helicopter and investigate the effects of air resistance and gravity. Time how long it takes to fall to the ground. Can you alter your aeroplane to make it fall faster/slower?

**Here is our Spring term 2 home learning. We would appreciate if the maths and spelling is completed weekly. Then the wider subjects are areas to look at cross the whole half term**

##### PE

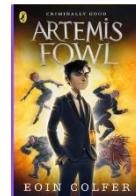

Handball/hockey  
  
Can you create a poster about teamwork.  
  
What do you need to be a team?

##### Music

We are exploring a range of musical styles.  
  
Can you create a poster or a dance routine to work alongside your favourite musical style, e.g. classical, pop, rock, dance.

##### Reading For Pleasure

This half term, we love these books.

Why not visit the library in Totnes to see if they have a copy of any of them?
