

Important messages for next week:
Wednesday 24th AM - Forest School
Thursday 25th AM – Mrs Palmer in class.

RED KITES
YEAR 6

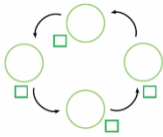

TEACHERS/LSA's:
Miss Humphries,
Mrs Sharp, Mrs Lilley, Mrs
Palmer, Mrs Wallis and
Mrs Matthews

Star of the week!

Yasmin - For her resilience within our new maths learning and brilliant participation in cricket with her group.

Red Kites' Weekly Home Learning		
Number Fluency	Writing Fluency	Reading Fluency
Arithmetic practice – 10 questions to complete! $114 \div 0 =$ $4^3 =$ $764 - 75 =$ $500 \times 100 =$ $8 \times 54 =$ $\frac{2}{7}$ of 35 = $7.6 - 3.75 =$ 15% of 360 = $3269 \times 9 =$ $77 \div 11 =$	Y5/6 Spellings from CEW lists suggest suppose surprise symbol system temperature therefore	Read your phonics/library book or something you enjoy each night (even if it is just a page!) Remember, we give certificates for every 10, 25, 50, and 75 books read. Once you reach 100, you will become a book ambassador!

Red Kites Summer 1 Home Learning Menu		
Art	Geography	RE
We will be completing cubist face pieces in school, so as home learning, why not create a cubist piece using an object from around your home? Or basic shapes repeated? 	Can you create your very own animal that is adapted to living in a biome/climate of your choice? Biomes include; Rainforests, Desert, Savannah, Woodlands, Grasslands and Tundra.	Our question this half term is, "What would Jesus do?" Can you create a set of teachings/rules you feel you live by? For example: 1. For others to be treated the way you wish to be. 2. To always find a positive in every day.
Science	Here is our Summer term 1 home learning. We would appreciate if the maths and spelling is completed weekly. Then the wider subjects are areas to look at cross the whole half term	PE
We are going to be looking at life cycles of different animals and plants. Choose your favourite animal, or plant. What does their life cycle look like? Draw a diagram and label the stages. 		Gymnastics/Athletics Ray Ewry set the first Olympic record in the standing triple jump with 10.58 metres. Can you see how many hop, step and jumps it takes you to achieve the same distance as Ray Ewry did back in 1900?
Music	Reading For Pleasure	
We are exploring song writing this half term. Can you use a popular piece of music (or your favourite song!) and recreate your own lyrics to the beat/rhythm?	This half term, we love these books. 	
Why not visit the library in Totnes to see if they have a copy of any of them?
