Mrs Viney

Mrs Mathews

Stars of the week!

Who has sown seeds of our school values: Trust, Peace, Creation and Creativity, Wisdom, Compassion and Love around our school this week?

The Robins Star of the Week is Ziggy for his fantastic singing and enthusiasm towards learning the lyrics in our latest songs. Great!

The Wrens Star of the Week is Alex for his fantastic recall of Read Write Inc phonics in our daily sessions. Super!

Important messages for next week:

Thursday 27th June – New classes will be announced. You will receive an email to confirm which class your child is being placed in next year. Reception parents, on Friday 28th we will visit their new classroom to show them where it is located and the provision they have access to.

Monday 1st July – Transition morning. Your Reception child will walk straight into their new class in the morning to meet their new teacher!

Robins Class Weekly Home Learning:

Maths Fluency	Writing Fluency	Reading Fluency
<p>This week in our maths work, we have been identifying bigger and smaller of amounts and objects which led to interesting discussions about 'just because it's a bigger spot, does that mean it's more?'. I wonder if you can identify any of these problems at home?</p>	<p>Using some of the words in your R.W.Inc book, ditty sheet or CVC words, I wonder if your adult can test your Fred Finger spellings? Parents, don't worry, this is not something that will be 'marked' in school - it would just be lovely for them to show off to you at home! 😊</p>	<p>Read your phonics/library book or something you enjoy each night.</p> <p>Please note, when your child is at the stage of reading words to you at home, this is to be recorded in their diaries to add stickers to their Star Reader bookmarks.</p> <p>Remember, we give certificates for every 10, 25, 50, and 75 books read!</p>

EYFS Summer 2 Home Learning Menu

Expressive Arts and Design (Music, DT and Art)	Understanding the World (History, Geography, RE and Science)	Communication and Language
<p>This half term, we are looking closely at dinosaurs. I wonder if you can craft one using recycled resources? Remember to give it a name!</p>	<p>In school, we are going to be learning to read simple maps. I wonder if you can draw your own map of your house? What are the similarities and differences between your house and Robins classroom?</p>	<p>I wonder if you can share any of the new words we have been learning in many of our carpet time sessions? Such as 'habitat', 'carnivore', 'crescendo', 'diminuendo', 'forte' etc.</p>
Personal, Social, Emotional Development	<p>Across this term, children complete the daily bitesize fluency learning (above) and choose a minimum of 3 longer term projects to complete. If the project involves a physical item, please feel free to send it in to class for your child to discuss with the class. Others, you may choose to upload a photo or video to Tapestry.</p>	Physical Development
<p>Try something new! This could be tasting a new fruit or vegetable that you have not had before or even riding your bike without stabilisers.</p>	<p>This half term, independence will be a high priority in order to prepare for Year 1. Please practise using a knife and fork to cut food into smaller pieces.</p>	
Reading For Pleasure		
<p>This half term, we love these books.</p> <p>Why not visit the library in Totnes to see if they have a copy of any of them?</p>
