Star of the week!

Wilf S – for trying so hard in RWI phonics this week!

Who has sown seeds of our school values: Trust, Peace, Creation and Creativity, Wisdom, Compassion and Love around our school this week?

Important messages:

We would be grateful for any bean (or other plant!) seed donations for science next week!

Reading Fluency

Read your phonics/library book or something you enjoy each night (even if it is just a page!)

Remember, we give certificates for every 10, 25, 50, and 75 books read. Once you reach 100, you will become a book ambassador!

Swallows' Autumn 1 Home Learning Menu

DT

This half term we are exploring textiles. Why not have a go at practising your stitches at home? Can you have a go at designing and making your own glove puppet?

History

In history this half term, we are learning about Civil Rights Activists Rosa Parks and Emily Davison. Can you find out about these amazing women and then create a fact file about them?

RE

This half term we are answering the question: How should we care for the world and for others, and why does it matter? Can you create a poster to display in school that will persuade other children to look after our school environment?

Science

Can you plant a seed of your choice and watch it grow? Why not write measure it each week to see how tall it gets? Can you draw a graph showing its growth over the half term?

Across this term, children complete the daily bites size fluency learning and choose **a minimum of 3** longer term projects to complete however they wish from the selection to share with classmates. You can choose to present them any way you like: video, powerpoint, leaflet, poster, artwork etc
The more creative, the better!

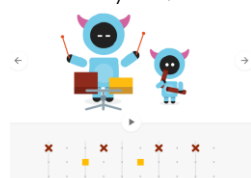

PE

Now that the weather is warmer, it is good to be as active as possible outside. They to do something active for at least 15 minutes each day.

Music

Go to chrome music lab using the link below. Have a go at creating your own musical rhythm.
