**Spending Overview :**

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

ACTIVITY	COST £	FUNDING CONTRIBUT ION	IMPACT SOUGHT	IMPACT OF FUNDING
<b>To improve the teaching and learning of PE across the school</b>	£7,600	£7,600	<p>To develop the quality of existing PE teaching through continuing professional learning in PE for staff. Teachers will have raised confidence and knowledge and understanding in teaching PE from a model of peer teaching and lesson study supported by PE specialists. This will cover Year A of our rolling curriculum.</p> <p>This will result in empowering all primary students to improve their health, skills and physical literacy, and have a broader exposure to a range of sports.</p>	

			<p>Staff CPD sessions, including access to high quality planning, for teachers on specific areas from their PE audit where needed.</p> <p>Promotion of healthy lifestyles through eating, keeping safe and physical fitness and raising self-esteem. To assist schools, parents and children in understanding and valuing the benefits of high quality PE and sport, including its use as a tool for whole school improvement.</p>	
<p>Kinetic lunch club sports provision to improve activity levels, intra sport competition and sportsmanship</p> <p>3x weekly sessions</p>	£2850	£2850	<p>3 x weekly lunchtime sports sessions with a sports coach to raise the levels of activity in school at lunch and break times, teach children to play with each other, introduce the children to competition at all levels and train pupils as sports leaders across the school for sustainability.</p> <p>Preparation of sports zones: low intensity/no competition, light intensity with small competition and high intensity with high competition.</p> <p>Active monitoring and encouragement for children to access the sports areas and participate in intra sports games.</p> <p>Sports coach to work with focus group assigned by the school PP/SEND/Girls/PLAs as well as PHAs taking them for high intensity games e.g basketball to develop their competition skills Targeting of PP children would take high priority to ensure that they are accessing active clubs inline with their peers. This will help to close the physical attainment gap in the school.</p> <p>Training sessions for 'play leaders' to build sustainability in lunch time provision. These children would continue the responsibility of setting up and supporting the activity on the other</p>	

			<p>days and in the future ensuring the activities continue.</p> <p>These sessions would be timetabled into the classroom activities so that play leaders would play an important role raising the profile of physical activity and safe play at break times too.</p>	
<p>Additional after school clubs and targeted sports clubs</p> <p>3x weekly</p>	£2850	£2850.00 Academy and Parent funded	<p>Further develop opportunities for children in Reception-Year 6 to engage in sports outside of school time.</p> <p>A range of clubs to be offered which will include sports and physical activity that children may not be able to engage in within the local area. Increased opportunities for PE/Sport both after school and at lunchtime will give increased opportunities for children to develop their health and fitness and mental health and wellbeing.</p> <p>Clubs provide children with opportunities to excel in different sports and provide PP children with the same opportunities as their peers. Children will be provided with opportunities to develop their skills from an early age which will, in turn, allow them to continue to develop their fluency in this area as they progress through school.</p>
