

KINGFISHERS YEAR 2

TEACHERS:

Miss Hardy
Mrs Matthews (PPA Cover)
Mrs Wallis (Forest School)
Ms Axford and Mrs Backhouse (LSA)
Mrs Palmer (HLTA)

As part of our Trust Charter, we offer children the chance to explore future careers and aspirations. To support this, we would like to invite parents and carers to come in and discuss their jobs with our Key Stage 1 children across the year.

If this is something you would be interested in, please speak to your child's class teacher.

Star of the week!

Who has sown seeds of our school values: Trust, Peace, Creation and Creativity, Wisdom, Compassion and Love around our school:

Jago – For showing wisdom in his learning. It's been a pleasure to watch you flourish this year!

Important messages for next week:

On Tuesday 23rd July KS1 will have a garden party. Children can bring a change of party clothes to put on in the afternoon. We would also like to request donations of party food such as sandwiches, vegetables, fruit, crisps, biscuits and cake. If you would be happy to donate some food to the celebration, please bring this into school on the morning of Tuesday 23rd.

Kingfishers' Weekly Home Learning

Number Fluency	Writing Fluency	Reading Fluency
<p>Daily TT rockstars/ Numbots</p> <p>Log on to Numbots and practise your number facts. If you are in year 2, why not have a go at your times tables on TTRockstars too?</p>	<p>Y1 and Y2 Spellings from CEW lists</p> <p>beautiful told many again should challenge: material</p>	<p>Read your phonics/library book or something you enjoy each night (even if it is just a page!)</p>

Kingfishers' Summer 2 Home Learning Menu

DT	History	RE
<p>This half term we are exploring textiles. Why not have a go at practising your stitches at home? Can you have a go at designing and making your own glove puppet?</p> 	<p>In history this half term, we are learning about Civil Rights Activists Rosa Parks and Emily Davison. Can you find out about these amazing women and then create a fact file about them?</p> 	<p>This half term we are answering the question: How should we care for the world and for others, and why does it matter? Can you create a poster to display in school that will persuade other children to look after our school environment?</p> 
Science	<p>Across this term, children complete the daily bites size fluency learning and choose a minimum of 3 longer term projects to complete however they wish from the selection to share with classmates. You can choose to present them any way you like: video, powerpoint, leaflet, poster, artwork etc The more creative, the better!</p>	PE
<p>Can you plant a seed of your choice and watch it grow? Why not write measure it each week to see how tall it gets? Can you draw a graph showing its growth over the half term?</p>	<p>Now that the weather is warmer, it is good to be as active as possible outside. They to do something active for at least 15 minutes each day.</p> 	
Music	Reading For Pleasure	
<p>Go to chrome music lab using the link below. Have a go at creating your own musical rhythm.</p>  <p>https://musiclab.chromeexperiments.com/Rhythm/</p>
