Red Kites Summer 2 Home Learning Menu		
DT	History	RE
We will be recreating a "steady hand" game that involves an electrical circuit.  Can you design an advertisement poster that would be placed in shop windows to sell the game?	In History, we are exploring the Ancient Greek civilisation.  Can you find one or two traditional Greek food items from your local supermarket to taste test?  Give them a star rating and review!	Our question this half term is, 'What matters most to Humanists and Christians?'  Can you research a famous humanist and their beliefs?
Science	Here is our Summer term 2 home learning. We would appreciate if the maths and spelling is completed weekly. Then the wider subjects are areas to look at cross the whole half term 😊	PE
We are going to be looking at reproduction of animals and their gestation periods.  Choose 3 animals (they could be your favourite) and research their gestation period and what happens once their young are born.		Sports day –  If you could design your own race/activity for sports day, what would it look like? Draw an image to represent/instructions on how to complete.
Music	Reading For Pleasure	
We are exploring the song, 'Make you feel my love' by Adele.  Can you create a piece of artwork that uses words from the lyrics represented in images?	This half term, we love these books. <div style="display: flex; justify-content: space-around; align-items: center;">    </div> Why not visit the library in Totnes to see if they have a copy of any of them?
